2017 SIEPI TOSCANA IGT

The Mazzei family is one of Tuscany's oldest wine dynasties and they have been cultivating vineyards and crafting fine wine for over 600 years in the heart of Chianti Classico. Leading the portfolio today are the Marchesi Mazzei, brothers Francesco and Filippo, as well as Filippo's son Giovanni, the 25th generation, who are pursuing innovation that elevates their wines and protects their ecosystem. All the estates are farmed with a commitment to reducing environmental impact and fostering sustainability. This balance of preservation and evolution is rooted in the Castello di Fonterutoli, the historic family seat.

The grapes for this single vineyard offering come from one of the oldest vineyards in Italy, with records dating to 1435. The vineyard sits on a well-lit plateau surrounded by oak forests, a unique microclimate for both Sangiovese and Merlot. The Merlot plantings were added in the early 1980's as the ideal complement to the indigenous Sangiovese. Siepi delivers wines of superior structure and sophisticated elegance.

VINTAGE NOTES

The 2017 harvest was unparalleled thanks to climatic events which followed one another in an unusual and extraordinary way. April frost was followed by exceedingly hot and dry spring and summer months, which led to water stress and reduced weight in the grape bunches. Harvest started earlier than usual. September rains brought temperatures down leading to grapes of heterogeneous quality. With careful selection, 2017 delivered excellence as a result of experience, careful vineyard management and harvest selection.

Harvest: 21 August – 28 September
