## 2018 MARIA DI BRÜN DOCG BARBARESCO

Cà Romé is a true family winery, nestled in the heart of Barbaresco. It was founded by Romano Marengo in 1980 after a 30-year career in the wine industry, during which he dreamed of making his own terroir-driven wines. Today it is run by Romano's children, Winemaker Giuseppe Marengo and Director of Operations, Paola Marengo.

The winery's vineyards in Barbaresco and Serralunga D'Alba consist of historic, marl-heavy soils and produce world-class, terroir-driven Barbaresco and Barolo wines.

This is a very special selection of late-ripening Nebbiolo Michet grapes exclusively released in only the best years and dedicated to Romano's mother, "Maria from the township of Brun" in Serralunga d'Alba. Density is 5,000 vines per hectare, with a very low crop yield of 1.2 kg per vine. The wine shows incredible concentration and typicity: beautiful, deep ruby color, very intense, persistent bouquet, complex and elegant, full body, and a hallmark personality. A deeply satisfying wine with excellent cellaring capability.
