

CA'ROME'

2022 BARBERA D'ALBA

LA GAMBERAJA DOC

Cà Romé is a true family winery, nestled in the heart of Barbaresco. It was founded by Romano Marengo in 1980 after a 30-year career in the wine industry, during which he dreamed of making his own terroir-driven wines. Today it is run by Romano's children, Winemaker Giuseppe Marengo and Director of Operations, Paola Marengo.

The winery's vineyards in Barbaresco and Serralunga D'Alba consist of historic, marl-heavy soils and produce world-class, terroir-driven Barbaresco and Barolo wines.

These 45-year old vines are planted with a density of 5,500 vines per hectare (2,226 per acre), and a very low crop yield of 1.5 kg per vine. The resulting wine is crimson with dark ruby highlights and a complex, elegant bouquet reminiscent of blackberries and spices confirmed on a full, fresh, flavorful palate with a consistent, lingering finish.
