

BELGUARDO

2019 BELGUARDO TIRRENICO MAREMMA TOSCANA ROSSO DOC

Established in 1435, the Mazzei family is one of Tuscany's oldest wine dynasties and they have been cultivating vineyards and crafting fine wine for over 600 years, originally in Chianti Classico and now in Maremma, Sicily and Treviso as well. Leading the portfolio today are the Marchesi Mazzei, brothers Francesco and Filippo, as well as Filippo's son Giovanni, the 25th generation. All the estates are farmed with a commitment to reducing environmental impact and fostering sustainability.

The Mazzei family purchased the land that became Belguardo in the mid-90's after an extensive search for a property that provided the best expression for international and indigenous grape varieties. The estate's wines quickly gained global recognition for their quality and established the outstanding potential of the Maremma region.

Tirrenico is inspired by the beneficial influence of the Tyrrhenian Sea, overlooked by the Belguardo vineyards. The structure of Cabernet Sauvignon is combined with the freshness and territorial identity of Alicante (Grenache).

VINTAGE NOTES

The vintage started gently with a mild winter but changed dramatically in May with significant rain, which slowed grape development. Careful vineyard management kept vines healthy during a very hot summer and large diurnal swings during harvest allowed grapes to reach full maturity, and ultimately delivered an outstanding vintage.
