

Heitz Cellar

2022 Quartz Creek Chardonnay

OAK KNOLL DISTRICT

- A rare Chardonnay from a pedigreed line and the first single-vineyard white wine at Heitz Cellar.
- First released in 2018, Quartz Creek vineyard takes its name from the bedrock of quartz at the root zone.
- Blanketed by fog from San Pablo Bay, the position of Quartz Creek Vineyard allows it to hold onto the cool morning air, protecting the freshness and delicacy of great Chardonnay.
- Aged on the fine lees in large oak casks and barrels (20% new) for 15 months with batonnage performed regularly and an additional three months of bottle aging before release.

95 POINTS Antonio Galloni **VINOUS**

“The 2022 Chardonnay Quartz Creek Vineyard is beautifully textured in the glass. Apricot, lemon confit, white pepper and exotic floral top notes are all beautifully lifted. This is simply striking.”

ANTONIO GALLONI, DECEMBER 2024
