“A bright and focused red with very fine tannins that give tension and energy. Blackberry, spice and some flint. Floral, too. Medium-bodied. Vivid. Drink or hold.”

– JAMES SUCKLING, MARCH 2023

A pure expression of Syrah, this wine follows the tradition of great Syrahs of Rhône. The wines are naturally fermented, gently pressed, and aged in neutral foudre. Beautiful denseness and texture without the expression of over-ripe character.
