

INK GRADE

2021 ANDOSOL RED BLEND

INSPIRED BY THE HISTORIC FIELD
BLENDS OF CALIFORNIA, BUT WITH
FRESHNESS, DELICACY, & GRACE

- Ink Grade produces Howell Mountain AVA's most graceful, classically-styled wines, made to drink well on release and age for decades.
- In any given year, the Andosol cuvée can be comprised of Carignan, Cinsault, Zinfandel, Mourvedre, Syrah, Alicante Bouschet, Viognier, Petit Sirah, Merlot, Cabernet Franc, Cabernet Sauvignon, and Petit Verdot.
- *Andosol* has a dual meaning: the scientific name for volcanic-based soil and slang in Andalusia for taking a walk in the sun.

94 POINTS VINOUS

"The 2021 Andosol, Ink Grade's Zinfandel-based blend, turned out beautifully. Crushed flowers, red berry fruit, mint, spice and orange peel are all beautifully delineated. This is an especially elegant and refined wine. I admire the precision here."

ANTONIO GALLONI, DECEMBER 2023
