## 2021 NAPA VALLEY CABERNET SAUVIGNON

INK GRADE IS HOWELL MOUNTAIN'S GREATEST CLASSICAL ESTATE

- Ink Grade comprises 800 wild acres, of which 200 are farmed organically and biodynamically since their planting over 35 years ago.
- The Napa Valley Cabernet is a complex wine with incredible breadth, typically with around 15% Howell Mountain fruit.
- This wine features more supple tannins, accentuated by the slightly warmer temperatures of lower elevation vineyards, and a shorter élevage (three years in large and small format French oak, of which 40-50% is new).
