

INK GRADE

2023 SAUVIGNON BLANC

A SINGULAR EXPRESSION OF SAUVIGNON
BLANC LIKE NO OTHER IN NAPA VALLEY

- Sourced from our Diamondback and Pope's Gold vineyard blocks and aged for nine months in a mix of concrete, stainless steel, and up to 25% new French oak.
- Ink Grade Sauvignon Blanc shows power from density of flavor, not ripeness, and finishes with acid and vibrancy.
- Ink Grade Vineyard is the largest biodynamically farmed vineyard in Napa County.

94 POINTS, VINOUS

"The 2023 Sauvignon Blanc is complex, dynamic and full of character. Lees-stirring builds the mid-palate in a resonant, dynamic Sauvignon Blanc that offers a beguiling mix of varietal character and structure. This is a very distinctive white."

ANTONIO GALLONI, NOVEMBER 2025
