## 2018 Tenuta Belguardo

MAREMMA TOSCANA ROSSO DOC

The Mazzei family purchased and replanted the vineyards that became Belguardo in the mid-90's after an extensive search for a terroir that would express the outstanding potential of Maremma. Tenuta Belguardo is the estate's flagship wine, produced from Cabernet Sauvignon and Cabernet Franc grapes grown in the highest vineyards. This Bordeaux-style cru with its strong Maremman character is a reference point for the appellation and has garnered important accolades over the years from experts in Italy and abroad.
