

CHABLIS VAILLONS 1ER CRU 2022

Established in 1923 with the goals of driving quality and innovation in the region, as well as bolstering the influence of its growers, today La Chablisienne spans over 200 winegrowing families and 1,200 hectares of superior vineyard holdings and is known for producing some of the top wines in Chablis. La Chablisienne farms a diverse array of vineyards across the four appellations – Grand Cru, 1er Cru, Chablis and Petit Chablis – so the wines truly represent the essence of each unique location.

Vaillons takes its name from the Latin “vallis,” which means little valley. This flagship premier cru was one of the first to be classified on the left bank of the Serein River. The vineyard benefits from morning sun and shallow but sticky clay topsoil with compacted limestone slabs below. The result is grapes that ripen early and finished wine with intensity, tension and mouthwatering minerality.

VINTAGE NOTES

2022 started with early spring frost as in 2021 but was warmer and drier throughout the rest of the season which kept disease pressure down and yields close to normal. The resulting wines are generous with excellent balance.
