SANCERRE ROSÉ 2023

Domaine Roc de l'Abbaye, owned and operated by the Mollet family, is located in Saint-Satur, a village in the heart of Sancerre with winegrowing origins dating back to the 11th century. Saint-Satur is famous for its ancient Abbey and its Silex (flint) terroir on the hillsides bordering the Loire river. Silex is a coveted soil type, found in only 15% of the vineyards in Sancerre, that produces wines with amazing minerality, acidity and precision with trademark smoky notes.

Florian Mollet crafts this Sancerre Rosé via direct pressing to achieve an elegant, fresh, fruity wine with pale color while maintaining body and structure. He uses a short maceration, between 6-12 hours, before gently pressing the grapes and fermenting the juice in stainless steel tanks at cool temperatures over 15 to 20 days.
