### PRICE

*"Belguardo V is a benchmark white for the Maremma... Lemon, lime and apple aromas mingle with floral and almond overtones, while the bold, creamy, slightly honeyed palate combines succulence with a line of salinity which runs through the core of sapid green and yellow fruits... this is a fantastic wine for the table, and will also cellar well."*

### — DECANTER

Belguardo's prestige white wine is built to age like an iconic red. Using two specially selected Vermentino clones, intentional terrain on the estate and a multistage winemaking process involving amphorae, steel vats and strategic skin contact, Belguardo V acquires great complexity and ageing potential (12-15 years).
