### 91 Points, Vinous

*"The 2022 Cabernet Sauvignon (Napa Valley) is beautiful. Sensual, open-knit and inviting, the 2022 has so much to offer. Crushed flowers, sweet red-toned fruit, white pepper and spice are very nicely lifted. This mid-weight, beautifully pliant Cabernet will be impossible to resist in its youth. Stylistically, the Napa Valley Cabernet feels just a touch riper than the other wines in the range."*
