

PHILIPPONNAT

CHAMPAGNE

RÉSERVE PERPÉTUELLE BRUT NV

The Philipponnat family have been winegrowers in Champagne since 1522, when they first acquired land in Aÿ and Mareuil-sur-Aÿ. Their legacy includes the iconic Clos des Goisses, purchased in 1935 and home to Champagne's first single-vineyard cuvée. Today 15th generation Charles Philipponnat leads the house, cementing over 500 years producing Pinot Noir focused champagne of freshness, minerality and intensity. Philipponnat wears the mantles of both grower and house, using a terroir-focused approach, centuries of expertise and incorporating modern technologies to craft a range of extraordinary champagnes that elevate the health of the land and the sophistication of the wine.

CHAMPAGNE

RÉSERVE PERPÉTUELLE

BRUT

Réserve Perpétuelle is named for the Champagne method of blending each year's wines with a continuously renewed reserve, preserving freshness while building complexity. Philipponnat has always made its non-vintage cuvées this way. Since 1946, Philipponnat has aged this living blend in oak, where each vintage refreshes the last, creating a cuvée that grows richer with time yet remains vibrant and in perpetual motion.
