

PHILIPPONNAT

CHAMPAGNE

ROSÉ BRUT NV

The Philipponnat family have been winegrowers in Champagne since 1522, when they first acquired land in Aÿ and Mareuil-sur-Aÿ. Their legacy includes the iconic Clos des Goisses, purchased in 1935 and home to Champagne's first single-vineyard cuvée. Today 15th generation Charles Philipponnat leads the house, cementing over 500 years producing Pinot Noir focused champagne of freshness, minerality and intensity. Philipponnat wears the mantles of both grower and house, using a terroir-focused approach, centuries of expertise and incorporating modern technologies to craft a range of extraordinary champagnes that elevate the health of the land and the sophistication of the wine.

WINE NOTES

This rosé blend is made from the same grapes as the Réserve Perpétuelle cuvées with a small addition of red wine from the best estate vineyards concentrated by saignée. Since 1946, Philipponnat has aged the perpetual reserve in oak, where each vintage refreshes the last, creating a cuvée that grows richer with time yet remains vibrant and in perpetual motion. This cuvée stands out for its freshness and intense fruitiness combined with mineral tension, which takes on slightly spicy notes.

TASTING & PAIRING

Fresh summer cherries and wild strawberries accented by citrus peel precede a palate that is pure and dynamic with ample fruit enhanced by subtle spice notes and acidity that beguiles the next taste. Pairs with smoked fish and meats, roasted lamb, vegetable soups, grilled flat breads and light berry desserts.
