2015 BURGESS ALPINIST RED BLEND

NAPA VALLEY, CALIFORNIA

- Alpinist is a nod to the Swiss-Italian ancestors who first planted the hillside where these grapes are grown.
- Sorenson Vineyard was first cultivated in the 1880s in what is now Crystal Springs AVA (as of 2024).
- Our vineyards are 100% organically and biodynamically farmed to honor their past and protect the future.
- Founded in 1972, Burgess preserves a vineyard legacy that began in the 19th century. Known as Souverain from 1943-1972, Warren Winiarski, Mike Grgich, and Paul Draper begin their careers here.
