CLOS DES GOISSES EXTRA BRUT 2015

The unparalleled Clos des Goisses, Champagne's first single-vineyard wine, is one of a small handful of revered wines sought by collectors worldwide.

Peter Liem calls Clos des Goisses "arguably the greatest vineyard site in all of Champagne."

British Champagne expert Tom Stevenson: "there can be no doubt that Clos des Goisses boasts the most climatically distinct, naturally occurring and expressive terroir in Champagne."

99 POINTS
WINEENTHUSIAST

"This iconic single vineyard Champagne comes from a steep slope facing south over the Marne river. This new release, still young but full of magnificent potential, is rich with a floral aroma and dense white fruits, striated with minerality."
