## *SHV Chardonnay*

Stony Hill has produced Chardonnay for nearly 75 years now. The storied and revered legacy was built one vintage at a time—and one bottle at a time—over generations. We are honored to have played an important role in the history of Chardonnay in the Napa Valley.

Our “SHV” Series of wines is our effort to bring our expertise and passion for this variety to bear with purchased fruit from our respected neighbors in the Napa Valley, making the wine in the same spirit and style that we make our estate Chardonnay. Fresh, vibrant, and citrusy, this limited edition wine is made in the same balanced, ageworthy style that has made Stony Hill a legend.

### TASTING NOTE

Aromas unfurl of fresh pear, golden apple, and flinty, toasty lees, along with lime and mandarin orange blossoms. A long growing season made for a bold, detailed wine that is enjoyable now and will age up to a decade or more. This wine was fermented on wild yeasts and went through partial malolactic fermentation.
