

# STONY HILL

*Est. 1952*

2022

## *"SHV" Cabernet Sauvignon*

STONY HILL IS A HIDDEN TREASURE NESTLED IN THE MAYACAMAS MOUNTAIN RANGE IN THE SPRING MOUNTAIN DISTRICT OF NAPA VALLEY.

Surrounded by Bothe-Napa Valley State Park, our property is a natural wonderland where wildlife and grapevines intermingle. It is our mission to carefully tend this peaceful setting where vines have flourished since 1948, and to protect and nurture them for generations to follow.

At Stony Hill, we are well-acquainted with mountain Cabernet Sauvignon excellence, having made them from our estate vines for 15 years now. So in 2022, it was a natural fit to source some pristine Cabernet Sauvignon from our colleagues across the valley on Howell Mountain: Ink Grade Estate and Linda Falls Vineyard. These partners share our passion for organic and biodynamic farming as well as producing wines of balance and finesse. Accordingly, all of the grapes in this cuvée were picked *before* the heat event that punctuated and defined the 2022 harvest for many in the Napa Valley.

### TASTING NOTE

The 2022 SHV Napa Valley is a Cabernet Sauvignon blend from hillside vineyards. Aromas of fresh red plum, black cherry, graphite, and forest floor fill the glass. This lithe mountain wine displays supple tannin, and tremendous breadth and length without being heavy.

### TECHNICAL DETAILS

VINEYARD SOURCES  
Stony Hill, Ink Grade, Linda Falls

ALCOHOL  
13%

ÉLEVAGE  
22 months in French and Austrian puncheons, casks, and concrete.
