## 2022 SHV CABERNET SAUVIGNON

NAPA VALLEY

“This has a real mountainous feel, a slight reductive edge and a volcanic, earth-driven character, showing **dark cherries and plums layered with spices, wild herbs, wet stones and floral perfume**. The full-bodied palate offers firmly framed yet integrated tannins, bright acidity and a luscious, taut and nervy finish. 60% fruit sourced from Howell Mountain. Give it some time in the bottle for maximum pleasure. Drinkable now but best from 2030.”
